Fr Dominic writes:

COVID-19 and Vaccination

When I was growing up in Dublin in the 1950's there was, in nearly every class in the schools that I went to, at least one child with Polio. It was a devastating disease and for the children a very blighted childhood and severe restrictions on their choice of career as an adult. I remember the great relief and gladness when the vaccination programme was set up and then declared that Ireland was free from the dreaded disease. I have watched with interest as the vaccination programmes went across the world with the help of many Governments and key individuals, reached the poorest parts of our continents and the declaration that Polio had been eliminated.

The development of a vaccine against COVID-19 presents an important breakthrough in protecting others as well as oneself from the virus; a virus which has not only caused a global pandemic and led to a huge loss of life but has also placed a great burden on healthcare workers and systems.

Each of us has a duty to protect others from infection with its danger of serious illness, and for some, death. A vaccine is the most effective way to achieve this unless one decides to self-isolate.

Each Catholic must educate his or her conscience on the matter and decide what to do, also bearing in mind that a vaccine must be safe, effective, and universally available, especially to the poor of the world.

Catholics may in good conscience receive any of these vaccines for the good of others and themselves. In good conscience, one may refuse a particular vaccine but continues to have a duty to protect others from infection.

These are crazy and unsettling times but we must do all that we can to rid the world of this virus and vaccination is a very solid way to achieve this. Whilst waiting we must keep ourselves safe and take care of our most vulnerable.

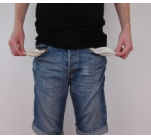

Protecting your privacy: Any personal details that you provide to this parish, (name, address, email, telephone number etc.) will be held on file & stored on the parish computer securely. If applicable, your details will also be entered into the appropriate Sacramental Register. For Volunteers groups, Readers, Eucharistic Ministers etc., your details will be shared with other group members in this parish to enable you to arrange cover etc. If you do not wish your details to be shared, please let the Parish Office know **You can read our full privacy policy on rcdow.org.uk/diocese/privacy-policy**

If you can help the Foodbank, here is a list of essentials that they always need. Jam, tinned carrots, tinned potatoes or packets of mash powder, cereals, tinned rice pudding, tinned fruit & tinned hot dogs, tinned meat pies, tinned custard or custard powder and crisps. Thank you for your continued amazing response - you never fail us!

Our restrictions for Baptisms depend on what tier we fall into. The lowest tier allows Baptisms with up to 6 people, the highest allows up to 6 all of whom must be in the same household. If you would like to get your child baptised as a starting point, please complete & submit the online baptism registration form, (found under sacraments on the website), we will then get in touch with you & arrange for you to see Fr Dominic and decide what you would like to do around dates.

Why not change the way you donate?

In these strange times, with half empty churches, not seeing familiar faces, not being able to hire out the parish centre or sell repository, run classes, our revenue, like everyone's, has taken a hit. One of the main drops being in loose plate & envelopes. We are grateful for any donations that you make but were wondering if you had thought about donating regularly by way of a standing order. You won't need that Sunday scrabble for cash for the plate or for the fiddly envelopes and once set up you can forget about it! All you need to do is fill in a form, return it to us & let us do the rest. Having less cash in the church is much safer for us all and as would seem to be the case, more hygienic. Contact us if you would like to make the change!! Of course we have our **new contactless machine** at St Teresa's but there's only so much it can do - you have to be here in person! So please don't forget to use our **Virgin Money Giving**, which can be accessed via their site or by clicking on the button on our website.

Look at the "About us" page on the website & you will see "Donate" - its all there and please call us if you need help!

As we come out of Lockdown we are pleased to advise that **Public Masses can resume but subject to the same restrictions as before**, namely you must follow the stringent guidelines, you must pre book your attendance, (if your name's not on the list, you're not coming in!) and face masks must be worn at all times, unless you are medically exempt. You may remember that we had a problem with people not booking & just turning up, please do book as we cannot exceed the limit of people allowed in the church under the regulations, no one wants to be the one to turn people away, which is also unfair on our dedicated Stewards. Weekday masses are less well attended and so you do not need to book. If you have problems, please call us & we can book from this end. Communion will be given at the end of Mass and in the hand only. All masses will continue to be at St Teresa's to allow everything to be Live Streamed.

Confirmation 2021: The deadlines have now been reached for these & you should have received an email confirming registration. The programme will start in 2021 and we will be in touch before Christmas to give further details on how the course will be run next year.

First Holy Communion 2021. You should have received an email advising you that the course will start in the new year. We will be in touch very soon to let you know how we plan to carry out the teaching. Don't forget to collect your child's "I belong" book if you haven't already.
